III. Precautions for Voting at the Meeting

(I) Shareholders of the Company who exercise their voting rights through the online voting system for the shareholders' meeting of the Shanghai Stock Exchange can either vote on the voting platform of the trading system (through the trading terminal of the securities company designated for trading) or vote on the Internet voting platform (website: vote.sseinfo.com). To vote on the Internet voting platform for the first time, investors should complete shareholder identity authentication. For details, please see the Internet voting platform website description.

(II) If the same voting right is exercised repeatedly on site, through the Exchange's online voting platform or other means, the result of the first vote shall prevail.

(III) For a shareholder holding multiple shareholder accounts, the number of voting rights exercisable shall be the sum of the number of ordinary shares of the same class and preferred shares of the same variety held in all shareholder accounts under his/her name.

A shareholder holding multiple shareholder accounts who participates in the online voting of the meeting through the Exchange's online voting system may participate through any of his/her shareholder accounts. After the vote, ordinary shares of the same class and preferred shares of the same variety in all shareholder accounts under his/her name shall be deemed to represent a vote of the same opinion.

If a shareholder holding multiple shareholder accounts votes repeatedly through multiple shareholder accounts, the opinions represented by ordinary shares of the same class and preferred shares of the same variety in all shareholder accounts under his/her name shall be based on the result of the first vote of each class or variety of shares respectively.

(IV) No proposals shall be submitted until the shareholders have voted on all of them.
